

KCARE ECONOMY BATH TRANSFER BENCH

\$141.00

SKU: KA224

PRODUCT DESCRIPTION

Purpose & Benefits of the Kcare Economy Bath Transfer Bench

The Kcare Economy Bath Transfer Bench is designed to provide a safe and convenient solution for individuals with limited mobility when accessing a bath or shower. This bench allows users to transfer in and out of the tub with ease, reducing the risk of slips and falls. Its sturdy and adjustable design makes it suitable for a range of users, offering comfort and stability during use. Ideal for use in both home and care settings, the Kcare Economy Bath Transfer Bench promotes independence and safety in the bathroom.

Key Features

- **Adjustable Height:** The bench legs are height adjustable, allowing users to customise the bench height to match the edge of their tub, ensuring a safe and comfortable transfer.
- **Sturdy Aluminium Frame:** Constructed from lightweight, rust-resistant aluminium, the frame is designed for long-lasting durability in wet environments.
- **Non-Slip Seat and Backrest:** Features a textured, non-slip plastic seat and backrest for enhanced safety and comfort during use, even when wet.
- **Reversible Backrest:** The backrest can be positioned on either side of the bench, accommodating different bathroom layouts and user preferences.
- **Suction-Capped Feet:** Equipped with non-slip, suction-capped feet that provide extra stability, helping to prevent the bench from shifting during transfers.
