

KCARE ELECTRIC TILT IN SPACE MOBILE SHOWER COMMODE

\$7,996.00 - \$8,650.00

SKU: KA1150

PRODUCT DESCRIPTION

PURPOSE & BENEFITS

The KCare Electric Tilt In Space Mobile Shower Commode is an innovative solution for those with mobility impairments who require assistance with showering and toileting. With electric tilt and recline functions, this shower commode is designed for maximum comfort and convenience.

The chair features swingaway footrests, height adjustable armrests, and an adjustable headrest to accommodate a variety of users. The padded seat and backrest provide added comfort and support, while the four total locking castors ensure stability and safety during use.

The electric tilt function allows the chair to be adjusted to a 30-degree angle for easy access and comfort during transfers. The chair can also be reclined up to 30 degrees for added comfort and convenience during showering or toileting.

The KCare Electric Tilt In Space Mobile Shower Commode is easy to clean and maintain, with a corrosion-resistant frame and removable, easy-to-clean seat and backrest.
