

KCARE FLINDERS CARBON FIBRE WALKER

\$625.00 - \$695.00 Price range: \$625.00 through \$695.00

SKU: KA380CFS-H

PRODUCT DESCRIPTION

Purpose & Benefits

The **KCare Flinders Carbon Fibre Walker** is a lightweight and durable mobility aid designed for everyday use, providing stability and comfort for individuals who require support while walking. Its carbon fibre construction offers strength while keeping the frame exceptionally light, making it easier to manoeuvre both indoors and outdoors.

Available in small, medium, and large sizes, the walker accommodates a range of user heights. The ergonomic handgrips, adjustable handle height, and supportive seat with backrest enhance user comfort. Large wheels ensure smoother travel across varied surfaces, while the foldable design allows convenient storage and transport.

Features

- Lightweight carbon fibre frame for easy handling
- Ergonomic handgrips for user comfort
- Adjustable handle height for customised fit
- Padded seat and backrest for resting support
- Large wheels for smoother movement on various surfaces
- Foldable design for easy storage and transport
