PRODUCT DESCRIPTION

Purpose & Benefits of KCare Hilite High Back Chair

The **KCare Hilite Chair** is a high-back day chair designed to provide superior comfort, postural support, and ease of use for individuals in home care, hospital, or aged care settings. Its supportive design makes it ideal for users who spend extended periods seated and require added stability and adjustability.

This knock-down version is easy to assemble and disassemble, making it convenient for transport, storage, or relocation. The chair features a contoured backrest, padded armrests, and an easy-clean vinyl finish, all in a modern greystone colour that complements any environment.

Key Features:

- High-back design for optimal comfort and postural support
- Knock-down frame for easy transport and storage
- Padded armrests for enhanced comfort

- Durable, easy-clean vinyl upholstery in contemporary greystone
- Adjustable leg height to suit individual user needs
- Non-slip rubber tips for added stability
- Ideal for home care, hospitals, and aged care facilities
