

KCARE LED SENSOR NIGHT LIGHT USB

SKU: PSL-USB-1

PRODUCT DESCRIPTION

PURPOSE & BENEFITS

The **KCare Portable Sensor Light USB** provides convenient, hands-free illumination for nighttime navigation and low-light environments. Ideal for bedrooms, hallways, and bathrooms, this lightweight light automatically activates when motion is detected within 5 metres, ensuring safety and visibility. Its portable design makes it perfect for use at home or while travelling.

FEATURES

- Compact, lightweight, and portable design for versatile use
- Multiple lighting modes including ambient light, motion sensor, and SOS flash mode
- Adjustable brightness with five light intensity levels
- Automatic motion sensor detects movement up to 5 metres away
- Ideal for improving nighttime safety in low-light areas
