PRODUCT DESCRIPTION

Purpose & Benefits of the Kcare Over Toilet Frame 3 in 1

The K Care 3-in-1 Width Adjustable Over Toilet Frame is a versatile aid designed to assist individuals who experience difficulty using standard toilets. Its multifunctional design allows it to serve as an over toilet aid, a freestanding commode, or a shower chair, providing flexibility to meet various user needs. The frame's width adjustability ensures a comfortable and secure fit for different body types and bathroom configurations.

Features

- **Width Adjustable Frame**: The frame can be adjusted to accommodate various user sizes and toilet dimensions, enhancing comfort and accessibility.
- **Height Adjustable Legs**: Equipped with height-adjustable legs to ensure the optimal seating height for each user, promoting ease of use and safety.
- **Durable Construction**: Constructed from white powder-coated 32 mm aluminium tubing, offering a lightweight yet robust structure that supports substantial weight while resisting corrosion.
- **Padded Seat with Open Front**: Features a removable padded seat with an open front design, providing comfort during use and facilitating easy cleaning and hygiene maintenance.
- **Removable Pan**: Includes a pan for use as a commode, which can be easily removed for cleaning or when the frame is positioned over a toilet.
- **Non-Slip Rubber Tips**: Fitted with non-slip rubber tips on each leg to prevent movement and enhance stability on various floor surfaces
