PRODUCT DESCRIPTION

PURPOSE & BENEFITS

Experience a cleaner and safer cooking process with the Kleva Spill Stopper Pot Cover, the ultimate solution for hassle-free cooking. Say goodbye to kitchen mishaps and stressful spills with this professionally designed spill stopper. Crafted from premium-quality, food-grade silicone, it ensures optimal safety during cooking.

The spill stopper fits perfectly over your pots and pans, effectively preventing spills and splashes. Its heat-resistant properties provide added peace of mind. With a unique flower petals design, this spill stopper is specifically engineered to excel in stopping spills, enhancing your cooking experience to a new level of convenience and efficiency.

FEATURES

- Made from premium food-grade silicone
- Perfect for steaming, boiling or microwaving
- Can be used as a cover for fridge storage.
