# IMAK KNEE STRAP UNIVERSAL

**SKU:** RS-A30137

## PRODUCT DESCRIPTION

### Purpose & Benefits of the IMAK Knee Strap Universal

The IMAK Knee Strap Universal is designed to provide targeted support and relief for individuals suffering from knee pain associated with conditions like patellar tendinitis, arthritis, or general knee strain. This knee strap offers precise compression below the kneecap to help stabilize the patella and alleviate pressure, which can significantly reduce pain and enhance mobility. It's ideal for athletes, active individuals, or anyone experiencing chronic knee discomfort. The universal sizing and adjustable design make it easy to achieve the perfect fit, ensuring effective support and comfort during both high-intensity activities and everyday tasks.

### Features

- **Targeted Compression**: Applies focused pressure on the patellar tendon to help relieve pain and support knee function.
- **Adjustable Strap**: Features a hook-and-loop closure that allows for easy adjustments, ensuring a snug fit for all knee sizes and accommodating changes in swelling.
- **Breathable Material**: Constructed from a lightweight, breathable fabric that keeps the knee cool and comfortable, even during extended wear.
- **Ergonomic Design**: Ergonomically designed to conform to the contour of the knee, providing optimal support without restricting movement.
- **Easy to Use**: Simple to put on and take off, this strap can be adjusted to the desired tightness with minimal effort.
- **Versatile Use**: Suitable for a variety of activities, from running and hiking to daily walking or standing, providing reliable support wherever needed.
