PURPOSE & BENEFITS

Brolly Sheets Laundry Bags, available in a convenient 2-pack, are practical and durable accessories designed to make laundry management easier and more hygienic. These bags are an ideal solution for washing delicate items or keeping certain laundry separate, such as incontinence products or bedwetting sheets.

FEATURES

- **Protective Washing:** The laundry bags are designed to protect delicate items during the washing cycle, preventing snagging, tangling, or damage.
- **Hygienic Separation:** They are perfect for separating sensitive laundry items like incontinence pads or bedwetting sheets from other clothing, ensuring hygiene and reducing cross-contamination.
- **High-Quality Mesh Material:** Constructed from a durable mesh material that allows water and detergent to flow through for effective cleaning while protecting the contents.
- **Secure Zip Closure:** Each bag features a zip closure that keeps items securely inside during washing and drying cycles.
- **Generous Size:** The bags are sized to accommodate a variety of items, making them versatile for different laundry needs.
- **Reusable and Eco-Friendly:** A sustainable alternative to disposable laundry solutions, these bags can be used repeatedly, reducing waste.
