PRODUCT DESCRIPTION

PURPOSE & BENEFITS

LiftSeat Home Plus is a powered toilet lift that helps people with mobility challenges get on and off the toilet safely and easily. It is a free-standing unit that fits over any standard toilet, and it is powered by a rechargeable battery. The LiftSeat Home Plus has a weight capacity of up to 203 kg, making it suitable for bariatric users.

The LiftSeat Home Plus is a great way to improve your independence and reduce your risk of falls. It is also a valuable tool for caregivers, as it can help them to provide safer and more comfortable toileting assistance.

FEATURES

- Powered toilet lift
