PRODUCT DESCRIPTION

PURPOSE & BENEFITS

Thigh Pillow Leg Spacer Memory Foam helps relieve the lower back strain by properly aligning the knees and hips. This is a convenient and comfortable positioning aid that encourages the natural alignment of the pelvis and spine when resting or sleeping. Inhibits spinal twisting during sleep and encourages better circulation. Ideal for those recovering from hip surgery.

- Strap adjustment helps secure Leg Spacer for a custom fit.
- In pressure-diffusing Memoryfoam covered in moisture-resistant (hospital grade) Steri-Plus cover.
- Helps align the spine to alleviate tension on the back.
- Therapeutically designed to help relieve pressure and strain on the lower back, hips and knees while you sleep by helping keep your legs aligned with your spine.
- The Leg Spacer Knee Support takes pressure away from the low back and hips allowing the spine to assume its natural 'S' shape
