PRODUCT DESCRIPTION

Purpose & Benefits of Merits Explorer Scooter

The **Merits Explorer Scooter** is a heavy-duty 4-wheel mobility scooter designed for users who need reliable performance and comfort across a wide range of outdoor terrains. With a powerful motor, high ground clearance, and full suspension, the Explorer is built for extended travel and everyday independence in suburban and rural settings.

This scooter offers a spacious high-back seat with adjustable armrests, ergonomic controls, and a large front basket for convenience. Its robust construction and superior stability make it an excellent choice for users who require a durable and capable mobility solution for longer journeys and uneven surfaces.

Key Features

- Heavy-duty 4-wheel design for maximum stability
- Full suspension and large wheels for smooth travel over rough terrain
- High-back padded seat with swivel and adjustable armrests
- High ground clearance for outdoor accessibility
- Powerful motor and long-range battery for all-day travel
- LED lighting system for enhanced visibility and safety

- Ergonomic tiller with easy-to-use controls
- Ideal for independent outdoor mobility and extended travel
