

MERITS FENDE MID-SIZE 4-WHEEL ELECTRIC SCOOTER

SKU: S946BR-H

PRODUCT DESCRIPTION

Purpose & Benefits of the Merits Fende Mid-Size 4-Wheel Electric Scooter

The Merits Fende Mid-Size 4-Wheel Electric Scooter is designed to provide individuals with a reliable and comfortable means of indoor and outdoor mobility. Its modern design, combined with advanced features, ensures users can navigate various terrains with ease and confidence.

Features

- **Stylish Design** – Features a modern aesthetic with a modesty panel, offering a smart and attractive appearance.
- **Adjustable Suspension** – Equipped with car-like front and rear suspension systems, delivering a smooth ride over varied terrains.
- **Comfortable Seating** – Includes a leather-feel, contoured high-back seat with slide, swivel, and recline functions, along with adjustable armrests for personalised comfort.
- **Enhanced Storage** – Unique battery storage design allows for greater floor space and provides a secure, lockable storage area for personal items.
- **LCD Dashboard** – Modern LCD offers clear and easy-to-read information, including battery gauge, speed, time, and temperature.
- **LED Lighting System** – Delivers brighter illumination with less power consumption, enhancing visibility and safety.
- **Safety Features** – Built-in speed reduction switch activates when turning, offering exceptional safety.

- **Convenient Power Access** – Includes an easy-to-access 12-volt socket suitable for charging devices like phones or GPS units.
