

MERITS WHEELCHAIR POWER PACK

\$1,618.00

SKU: P001G

PRODUCT DESCRIPTION

Purpose & Benefits of Merits Wheelchair Power Pack

The Merits Wheelchair Power Pack is designed to enhance the mobility of manual wheelchair users by adding motorised power, making it easier to navigate various terrains and inclines. This device is particularly useful for caregivers, as it reduces the effort required to push a manual wheelchair. It's suitable for use in both indoor and outdoor settings, providing a significant boost in independence and reducing physical strain.

Features

- **Dual Wheel Design:** Ensures smooth operation and improved traction on different surfaces.
- **Variable Speed Setting:** Allows for precise speed control, making it adaptable to various environments and user preferences.
- **Easy Attachment:** The power pack is designed to be easily attached to and detached from most standard wheelchairs.
- **Ergonomic Controls:** Features a user-friendly and accessible control system, which can be handled either by the wheelchair user or the caregiver.
- **Portable and Lightweight:** Its compact design makes it easy to transport and store when not in use.

Specifications

- **Battery Range:** 16 km
- **Safe Working Load:** 165 kg
- **Compatibility:** Fits wheelchair width 40 cm – 56 cm

- **Motor:** 280 Watt
- **Battery:** 12V - 20a/h
- **Charger:** 3A off board
- **Drive Wheel:** 8" PU tyre x 2 pieces
- **Weight of battery:** 6.3 kg
- **Weight of base:** 7.7 kg
- **Total weight:** 14 kg
