

METRON LUMBAR D-ROLL

SKU: MET-DROLL

PRODUCT DESCRIPTION

Purpose & Benefits

The **Metron Lumbar D-Roll** is designed to support the natural curve of the lower back, assisting with spinal alignment and reducing discomfort during extended periods of sitting. Its ergonomic D-shape fits into the lumbar region, promoting improved posture whether used while seated or lying down. Constructed from high-density foam, the cushion maintains its shape over time, providing consistent support. The adjustable strap allows secure placement on a range of seating surfaces, helping to prevent movement during use. Suitable for home, office, and mobility settings, this cushion is intended for users seeking additional lumbar support and improved sitting posture.

Features

- Ergonomic D-shape design supports natural lumbar curvature
- High-density foam construction for long-lasting support
- Adjustable strap secures cushion to seating surfaces
- Removable washable cover for hygiene maintenance
- Suitable for sitting or lying down in various settings
