#### PRODUCT DESCRIPTION

## **PURPOSE AND BENEFITS**

The Lumbar Round 4" Roll from Metron ensures comfortable support to your lower back as it allows you to correct and maintain a better posture. This lumbar roll is specifically designed for people who are sitting for a prolonged period of time (f.i. in the car, truck or at work) or those requiring extra support in the lower back.

# **FEATURES**

- Wide variety of uses ideal for positioning
- Designed to fit in the hollow of your back in the lumbar region.
- Fitted with an elastic strap to enable it to be secured to the back of a car seat or an office chair.
- Made with high density quality foam
- Finished in a removable, washable cover
