PRODUCT DESCRIPTION

Purpose & Benefits of Molicare Premium Mobile 10 Drops - XL

Molicare Premium Mobile 10 Drops in size XL are designed to provide maximum comfort and protection for adults with moderate to severe incontinence. This product is especially suited for individuals with active lifestyles or those in need of reliable protection that allows for independence and dignity. The "10 Drops" rating indicates a high level of absorbency, making these pull-up style diapers ideal for extended wear, overnight use, or for those with heavier incontinence needs.

Features

- **High Absorbency:** Equipped with a 10-drop absorbency level, which ensures optimal fluid retention and skin dryness, reducing the risk of leaks and skin irritation.
- **Breathable Material:** Constructed from soft, breathable materials that promote air circulation, helping to maintain skin health and comfort.
- **Pull-Up Design:** Resembles regular underwear for ease of use, promoting self-reliance in dressing and personal care.
- **Odour Neutralizer:** Features an advanced odour neutralising system that reduces the effect of ammonia odour, providing a sense of freshness and dignity.
- **Tear-Away Sides:** Includes tear-away sides for easy removal, making it convenient for caregivers to change and for users to remove themselves.
- **Leak Guards:** Integrated leak guards provide additional side protection to help prevent side leakage, enhancing confidence and security.

Specifications

- **Size:** XL, suitable for individuals with larger body types or those who prefer a more comfortable fit.
- **Absorbency:** 10 drops, indicating a high capacity for fluid retention, suitable for heavy incontinence.
- **Material:** Made from soft, non-woven fabric with a breathable outer layer.
- **User Target:** Designed for adults needing reliable, discreet incontinence protection.

Molicare Premium Mobile 10 Drops - XL provides a combination of protection, comfort, and convenience, making it a top choice for adults dealing with incontinence. Its discreet pull-up style and high absorbency level ensure users can maintain an active and confident lifestyle.
