## MOLIFT QUICK RAISER 205 SIT TO STAND HOIST

SKU: M29000-H

PRODUCT DESCRIPTION

Purpose & Benefits of Molift Quick Raiser 205 Sit to Stand Hoist

The **Molift Quick Raiser 205 Sit to Stand Hoist** is an ergonomically designed, electrically powered hoist developed to assist with safe and comfortable standing transfers for users with limited mobility. Ideal for healthcare environments and home care settings, the Quick Raiser 205 supports active users during sit-to-stand movements, minimising strain on both the user and caregiver.

Its unique angled mast and low base design allow for easy access around furniture and close positioning to the user, while the electrically adjustable leg base ensures adaptability in tight spaces. The hoist features a comfortable, padded knee support and intuitive handset controls, enhancing both user comfort and caregiver efficiency during daily transfers.

Key Features

- Designed for active sit-to-stand transfers in clinical or home care settings

- Angled mast and low base for optimal positioning and manoeuvrability

- Electrically powered lifting and leg base adjustment

- Ergonomic handle and intuitive handset for caregiver control

- Comfortable padded knee support for user stability

- Compact footprint allows for use in tight spaces

- Compatible with Molift sling range for tailored support

- Supports safe and efficient daily mobility assistance
