MOLIFT RAISER PRO SOFT HANDLES - PURPOSE & BENEFITS

Enhance the functionality of your Molift Raiser Pro Sit-to-Stand Transfer Platform with the Molift Raiser Pro Soft Handles. Designed meticulously for individuals who find it challenging to grip the main handle of the Raiser Pro, these Soft Handles are your perfect solution.

FEATURES

- **Gripping Aid:** The handles serve as an excellent aid for those who require a firmer, more comfortable grip during the lifting process.
- **User-centric Design:** Catering specifically to users who face challenges in reaching the Raiser Pro handle, these soft handles provide the required support, ensuring safety and stability.
- **Convenient Attachments:** Easily attach these handles to the multi-grip handle, giving users a much-needed extension that's within easy reach.
- **Comes in Pairs:** Supplied as a pair, ensuring that the user gets a symmetrical and balanced grip on both sides.
- **Maintenance Made Easy:** Cleaning these handles is a breeze. They're machine washable and can be tumble-dried at a low temperature of 60 °C. For those who prefer a thorough cleaning, these handles can withstand temperatures up to 80 °C.
- **Perfect Accessory:** An invaluable addition to the Molift Raiser Pro Sit-to-Stand Transfer Platform.

Invest in the Molift Raiser Pro Soft Handles and ensure the safety and comfort of users during transfers. Safe, supportive, and simple, these handles redefine the user experience.
