

MOLIFT RGOSLING AMPUTEE MEDIUMBACK PADDED

SKU: 17211-H

PRODUCT DESCRIPTION

PURPOSE & BENEFITS

Tailored specifically for users with an amputated leg or those with reduced muscle tone, the Molift RgoSling Amputee Mediumback Padded is the embodiment of safety and comfort. Designed with keen attention to detail, this sling offers an unparalleled hoisting and transferring experience.

FEATURES

- **Specialized Support:** Crafted with the unique needs of users with amputated limbs or diminished muscle tone in mind, ensuring optimal comfort and safety during each transfer.
- **MediumBack Design:** Balancing support and flexibility, the MediumBack design ensures users have the necessary trunk support without compromising movement.
- **Safety First with Waist Belt:** The built-in waist belt offers an added layer of security, enhancing the user's confidence during lifts.
- **Secure Leg Support:** Featuring a narrow leg support opening, the design snugly wraps under both legs, ensuring minimal movement and maximum safety during hoists.
- **Extended Leg Application:** The leg parts are not only divided for ease but also come with extra length, ensuring they fit comfortably under both legs. The added straps further ensure the legs stay in position, enhancing the user's trust in the product.
- **Anatomical Cut & Padding:** Every contour and padding on the Molift RgoSling Amputee Mediumback Padded has been meticulously designed. This attention to detail ensures unbeatable support throughout the hoisting and transferring process, making every movement seamless.
