PRODUCT DESCRIPTION

PURPOSE & BENEFITS

Introducing the Molift RgoSling StandUp Padded, the perfect sling solution for active transfers with Molift Quick Raiser. This product is specifically designed to offer comfort and lumbar support during hoisting and transition between different sitting positions.

FEATURES

- **Optimized for Active Hoisting:** This sling is specifically designed for use with the Molift Quick Raiser, ensuring seamless and comfortable transfers.
- **Ideal for Toileting Situations:** With its easy placement and secure design, the RgoSling StandUp Padded is an excellent choice for use in toileting situations.
- **Compatibility with 2-Point Sling Bar:** Designed for use with a 2-point sling bar, this product is easy to install and use.
- **Enhanced Comfort and Stability:** The sling features an efficient anti-slip lining to prevent sliding during use. Its wide back support evenly distributes weight and pressure over a large surface, enhancing user comfort. An additional waist belt provides extra support and stability.
- **Additional Support Option:** For users requiring extra pelvic support, the Molift RgoSling StandUp Padded with support variant is an ideal alternative.
