PRODUCT DESCRIPTION

PURPOSE & BENEFITS

Introducing the Molift RgoSling Toilet LowBack, a flexible sling designed to provide optimal functionality for toilet situations. It features a large leg opening for toileting, making it easy to apply and remove while providing a user-friendly and individual-fitting experience.

FEATURES

- **Trunk Support and Safety:** The RgoSling Toilet LowBack offers robust trunk support, reinforced by double belt buckles for extra security.
- **Adaptable Leg Supports:** The sling comes with flexible leg supports that facilitate individual fitting. These supports can be positioned in various ways to cater to the user's specific needs and function.
- **Adjustable Sitting Angle:** The RgoSling Toilet LowBack has numerous alternative loops on both the shoulder and leg straps. This feature allows adjustment of the sitting angle to meet the user's needs, including an upright sitting position.
- **Comfort and Stability:** With its unique design, the RgoSling Toilet LowBack provides outstanding support in the sitting position. The adjustable belt buckles allow for the optimal positioning of weight and pressure, maintaining excellent stability and safety for the user.
