

PEGGS DELUXE 10 HANDY LINE

SKU: D10

PRODUCT DESCRIPTION

PURPOSE & BENEFITS

The Deluxe 10 Handy Line is the largest line in this range. With gunmetal grey powder-coated aluminium, grey fixings and smooth moulded legs, the Deluxe range has a modern aesthetic designed to complement your home or outdoor space.

The Deluxe 10 is great for households with high washloads and/or king-sized sheets. It holds over 2 wash loads with ease and comes fully assembled, delivered to your door.

Peggs Handy Lines and accessories are built to last. They have a patented support arm and weighted strap and are made with marine-grade aluminium, stainless steel fixings and UV-treated plastic, meaning they won't rust or perish in the harsh Australian sun. Offering a sustainable alternative to the electric dryer, our Handy Lines are lightweight and fold away flat for easy transport and storage. They make hanging washing a breeze!

FEATURES

- Handy Lines help elderly/senior people and people with mobility problems because the clothes drying rack has a lower line-level than conventional lines and can prevent falls
- Being a portable clothesline, they can be placed near the house, so heavy wet washing doesn't have to be carried far
- Features powder-coated aluminium frame with stainless steel fixings
