- Vegan friendly fashionable faux leather strap
- Wide based starfish tread to leave your mark on every beach
- Super soft AusLite™ foam relieves pain from Plantar Fasciitis and Heel Spurs

These extremely comfortable orthotic Starfish thongs support, Flip Flops, Jandals, and Sandals are made from our unique AusLite™ antibacterial polymer foam, offering true orthotic arch support and reflexology for the perfect fit.

STARFISH FEATURES

- Anatomically correct arch support is higher than the classic Starfish thongs to offer a higher level of orthopaedic support and better overall posture
- Heel Cup cradles the heel, providing a supported and straight strike of the heel to the ground as you walk
- Metatarsal support under your toes assists in eliminating toe clenching, which in turn allows you to relax your feet, relieve pain and walk naturally
- Wider faux leather (PU) strap offers a snug yet relaxed fit to the foot, connecting that super soft AusLite™ foam to your sole whilst offering a very fashionable look.
