

NON-SLIP MEDICAL GRIPSOX WITH STRETCH TOP

\$21.00

SKU: ST-H

PRODUCT DESCRIPTION

GENERAL PURPOSE

These unique socks have been specially designed with an extra stretch top elastane band specifically for individuals with oedema (swelling) issues in the ankles and legs, as well as those with larger legs in general.

ADDED COMFORT

Ideal for those clients who prefer their non-slip socks to come slightly higher above the ankle for added comfort and extra warmth.

FIT AND FEEL

Latex free and 95% cotton for breathability with a high stretch top band and seamless toe for comfort and fitted heel to prevent sock rotation.

SIZES AND COLOURS

Our GripSocks Stretch Top socks are available in either red and black in sizes Small 2-6, Medium Size 6-11, Large Size 11-14 and Medical Size XL.
