

NOOMI BACKMEISTER - AROMATHERAPY WRAP | HEAT PACK

SKU: BACKMEISTER

PRODUCT DESCRIPTION

PURPOSE & BENEFITS

The BackMeister aromatherapy wrap is a next generation heat pack. It's cleverly designed to wrap around your lower back, neck, knees or head. The stitching keeps the filling evenly spread around the wrap, and the velcro belt ensures it fits your body perfectly. It's so comfortable, you'll forget it's there!

But the best bit is the smell: A special blend of rice (no smelly wheat!) with cinnamon, clove and eucalyptus, that helps relax tense muscles with soothing warmth or a cooling touch.

Warm the BackMeister and wrap yourself to encourage blood circulation, ease muscle tension, stress, arthritis or period pain. Chill it to treat sports injuries or cool you down on hot summer days.

Ready to use in less than 90 second (rather than 3-4 minutes for wheat bags) and there's no need to put water in the microwave!

This winter, let the BackMeister treat you with an awesome herbal hug!
