

## OPPO KNEE SUPPORT

**SKU:** OPP102130-H

## PRODUCT DESCRIPTION

### Purpose & Benefits

The **OPPO Knee Support** is crafted to provide gentle yet effective support for the knee joint, especially during movement or physical activity. The circular pad is designed to sit comfortably around the patella, helping to relieve pressure and alleviate discomfort typically associated with overuse, instability, or mild strains. Its breathable neoprene and cotton lining not only deliver soothing warmth that enhances circulation but also ensures comfort by reducing sweat buildup. This blend of pressure relief, stability and thermal therapy helps maintain joint alignment, supports daily activity, and promotes an overall sense of comfort and confidence in movement.

### Features

- Circular patella pad to ease pressure on the kneecap
- Relieves stress around the knee cap for improved comfort
- Breathable neoprene and cotton lining retains warmth while wicking moisture
- Durable construction built to endure daily wear and movement

### Specifications
