PRODUCT DESCRIPTION

Purpose & Benefits

The **Reinforced Shoulder Brace** in size **Small** delivers enhanced stabilisation and compression to support the shoulder in daily activities or recovery phases. Featuring a figure-eight structure, it comfortably cradles the shoulder to support proper alignment while counteracting unwanted movement. The lightweight, four-way stretch knit fabric adapts to your form, offering breathability and comfort throughout the day. Adjustable hook-and-loop fasteners ensure a personalised fit that stays secure during movement—ideal for easing discomfort, encouraging posture awareness, and promoting confidence in motion.

Features

- Figure-eight structural design enhances shoulder alignment and support
- Adjustable hook-and-loop fasteners deliver a customised, secure fit
- 4-way stretch knit provides compression, flexibility, and excellent ventilation
- Ultra-lightweight construction promotes comfort during prolonged wear
