

OPPO SACRO BELT

SKU: OPP226270-H

PRODUCT DESCRIPTION

Purpose & Benefits

The **OPPO Medical Sacro Belt** provides robust support and stability for your lower back and sacroiliac joint, making it ideal for those dealing with lower-lumbar strain, postural instability, or sacroiliac dysfunction. Reinforced straps offer targeted compression exactly where it's needed, while firm yet breathable elastic material ensures a snug fit that moves with you. This support not only helps alleviate discomfort and alleviate pressure on the lower spine but also promotes better alignment and confidence during everyday activities, from lifting and bending to walking or standing for extended periods.

Features

- Extra reinforced straps enhance stability and deliver targeted support to the sacroiliac region
- Adjustable hook-and-loop fasteners ensure easy application and customised fitting
- Breathable elastic fabric offers firm compression while maintaining comfort and ventilation
- Durable construction built to withstand prolonged, daily use
