PRODUCT DESCRIPTION

Purpose & Benefits

The **OPPO Wrist Support** in size **Small** delivers firm yet comfortable compression to stabilise weaker or overworked wrists. Designed to gently retain warmth, it enhances circulation and helps reduce pain and stiffness commonly associated with sprains, strains, occupational overuse, or early-stage arthritis. With its snug fit and breathable construction, this support promotes confidence in daily movement and aids recovery, all while remaining discreet under clothing.

Features

- Elastic, form-fitting design provides gentle, even compression
- Heat retention helps relieve discomfort and support recovery
- Low-profile, flesh-tone design can be worn discreetly under clothing
