PRODUCT DESCRIPTION

Purpose & Benefits

The **OPPO Wrist-Thumb Brace** provides stabilising support to both the wrist and thumb, ideal for managing discomfort from overuse, minor strains, or early-stage rehabilitation. Its four-way stretch knit and lightweight, ventilated elastic deliver consistent, breathable compression that enhances circulation and comfort during daily wear. By encouraging gentle alignment, this brace helps reduce strain on the thumb and wrist joints, while supporting natural movement and fostering confidence in everyday tasks.

Features

- Four-way stretch knit and ventilated elastic provide breathable, firm compression
- Contoured fit around wrist and thumb allows secure support without restricting movement
- Optimised breathability maintains comfort even during prolonged use

Specifications
