PURPOSE & BENEFITS

Regarded by health professionals as the perfect memory foam cervical neck support pillow. Adjustable to suit all physiques, the Complete Sleeprrr Original Pillow is a luxurious cervical neck support pillow featuring removable foam inserts, giving 12 different adjustment options so you can create the perfect pillow to suit your comfort needs.

FEATURES

- Premium grade foam - Made in Australia.
- Designed to encourage side sleeping.
- Temperature-sensitive visco elastic Memory Foam 'feeling is believing'!
- Visco Memory Foam responds to your body's warmth and actively moulds and shapes to your head and neck giving ample spine support.
- Encourages the natural alignment of your spine by providing evenly distributed support.
- Super-soft cervical neck support pillow.
- Cased in a 'breathable' open weave removable pillow cover.
- Features 'higher' and 'lower' sides of the pillow as well as contour variance for maximum individual support and comfort for side or back sleeping.
- Contoured design encourages side sleeping to enhance breathing and minimise snoring.
- Scalloped under-edges allow shoulder to slip snugly under pillow for a close-knit fit when sleeping on your side.
- Head and neck are properly cushioned and supported during sleep.
- Designed to help alleviate and avoid neck and shoulder stress and muscle stiffness.
- Memory Foam 'noodles' in core foam surface can be removed to make for an even softer feeling pillow.

- Can assist asthma sufferers and others who require clear breathing patterns.
- Recommended by chiropractors, physiotherapists, osteopaths, myotherapists and naturopaths.
