

OSCAR BASIC HUDSON

SKU: 31054-H

PRODUCT DESCRIPTION

PURPOSE & BENEFITS

The Hudson lift recliner is not only comfortable but can be tailored to your needs, offering a wide array of modifications. This recliner is perfect for those with back and hip injuries, thanks to its stellar lower back support.

For the perfect fit, take advantage of our extensive customization options.

The lift assist feature gently tilts and elevates the chair, making standing easier and reducing strain.

Wooden armrests offer additional support, making getting in and out of the chair easier.

When tilted, the chair supports the user's weight, easing them into a comfortable seated posture. This feature also promotes user independence.

Please note: May require assembly.
