

OSCAR SLIMLINE RECLINER LIFT CHAIR - 4 MOTORS

SKU: SLM-HL-04-H

PRODUCT DESCRIPTION

PURPOSE & BENEFITS

The Slimline lift recliner has a modern appearance. As well as having all the features of a lift recliner, is has an adjustable headrest and adjustable lumbar support.

Another function of the Slimline is a zero-gravity mechanism. A zero-gravity chair allows the user to get into a comfortable position, relaxing the spine, improving blood flow and lung capacity.

The lift assist function tilts and lifts the chair forward to aid with standing and relieve the strain of standing from a low position.

Showood arms offer further support, allowing you to hold onto the armrests while getting in and out of the chair.

The tilted chair will catch the weight of the user, allowing them to ease themselves, into a natural seated position. This function also allows for a greater sense of independence. The Slimline is rated to 130kg.

Please note: May require assembly.

It is available in three standard sizes:

- Mini to suit height ranges between 122cm (4’10”) to 1.57cm (5’2”)
- A to suit height ranges between 157cm (5’2”) to 173cm (5’8”)
- B to suit height ranges between 173cm (5’8”) to 180cm (5’11”)

The Slimline is proudly made in Australia by Oscar Furniture.
