

OXFORD DELUXE TRANSPORT SLING

\$415.00 - \$448.00

SKU: NA1350

PRODUCT DESCRIPTION

PURPOSE AND BENEFITS

The Oxford Deluxe Transport Sling is suitable for those patients with a degree of weight bearing ability. It is an easy fit general-purpose sling giving full support to most clients. It will not suit double amputees or lifting from a horizontal position.

FEATURES

- Fully padded design offers excellent patient comfort
- Coloured attachment loops promote correct/safe positioning
- Non-slip back section ensures the sling does not 'ride up'
- Adjustable waist strap for added support and security
- Can be customised to fulfil patient specific needs

POLYESTER (SOLID)

A strong, hard-wearing material that has been a consistent standard for Oxford slings over the years. This tried and tested fabric is traditionally available in medium grey.
