PRODUCT DESCRIPTION

Purpose & Benefits of Nice Stretch Plantar Fasciitis Relief Kit

The Nice Stretch Plantar Fasciitis Relief Kit is specifically designed as a comprehensive solution for the treatment and management of plantar fasciitis and related heel pain. This kit aims to provide users with a complete set of tools needed to reduce pain, improve mobility, and facilitate healing of the plantar fascia. It is particularly beneficial for those seeking to manage symptoms both during the day and at night, offering a versatile approach to pain relief and tissue support.

Kit Contents & Features

- **Daytime Sleeve:**
  - Provides balanced compression and support to the ankle, arch and heel
  - Comfortable enough to wear the entire day
  - Enhanced with “X-Stretch” technology to distribute pressure evenly across the foot
  - Mimics the taping methods typically recommended by medical professionals for prevention and relief of Plantar Fasciitis, heel pain and Achilles tendinitis
- **Nighttime Splint:**
  - Keeps the foot in a comfortable neutral position, gently stretching the Plantar Fascia and the Achilles tendon
  - Stretching helps reduce inflammation, pain and tenderness
  - Worn at night so the first steps in the morning are less painful
- **Instructional Guide**: Includes detailed instructions on how to use each component effectively

for maximum relief and optimal healing.
