

POKO REPLACEMENT LINELOKS

SKU: POKOKK

PRODUCT DESCRIPTION

Purpose and Benefits

The Poko Replacement LineLoks are designed to keep your Poko drying system securely in place during use. They help prevent the system from sliding or being dislodged by wind, movement, or uneven tension—ensuring a stable setup in any environment. These are the same LineLoks included with your original Poko, perfect for replacing worn-out or misplaced pieces to keep your system functioning reliably.

Features

- Maintains secure tension on your Poko line
- Prevents slipping or shifting during use
- Easy to attach and remove without tools
- Lightweight and durable construction
- Ideal replacement for original Poko LineLoks
- Sold as a pair for complete replacement coverage
