

QUINTRO SWIVEL CUSHION - PU FOAM

SKU: 23001

PRODUCT DESCRIPTION

PURPOSE & BENEFITS

This round foam cushion covered by a soft fabric is a comfortable and clever way to assist someone to move into or out of a seat easily. Especially useful for car seats, the cushion is mounted on a plastic base and enables the user to swivel in position while seated.

Please be aware that if your car seat is particularly curved/ 'bucket shape' it is a good idea to fill any spaces under the cushion so that it sits flat (e.g. place a folded towel underneath), to minimise the risk of the base cracking.

Product can only be used with flat seats and not cannot be used in bucket seats.

FEATURES

- PU foam
- Diameter: 39cm
- Removable velour cover
- DVA Approved
