PRODUCT DESCRIPTION

PURPOSE & BENEFITS

The width of the brush is 20mm and it is made with soft nylon bristles so it can easily clean 19mm diameter hoses

Multipurpose to thoroughly clean and dry your CPAP hoses or tubes in minutes.

FEATURES

- Cleaning brush is made with soft nylon bristles that are flexible to fit both slim & standard hoses or tubes
- Includes a cylindrical shaped brush for scrubbing and a microfiber cloth tip for drying.
- The sturdy carbon fiber stem comes in 6 parts which can be easily assembled and taken apart for easy convenient storing.
