

REDGUM CANE TIP - 16MM

\$5.00

SKU: RG16

PRODUCT DESCRIPTION

Purpose & Benefits of the Redgum Cane Tip - 16mm

The Redgum Cane Tip in a 16mm size is a crucial accessory designed to enhance the safety and durability of walking canes. This replacement tip is specifically crafted to provide better traction and stability for cane users, reducing the risk of slipping and increasing confidence while walking on various surfaces. Suitable for individuals with mobility issues, this cane tip is essential for maintaining the functionality and extending the life of a walking cane.

Features

- **Enhanced Traction:** Made from high-quality rubber that grips well on different types of surfaces, including indoor floors and outdoor terrains, reducing the risk of slips and falls.
- **Shock Absorption:** The rubber material also helps absorb the impact with each step, which can reduce stress on the user's hand and wrist, as well as provide a more comfortable walking experience.
- **Easy to Install:** The tip is designed for easy installation on any cane with a compatible 16mm diameter, allowing users to replace worn-out tips quickly and conveniently.
- **Durable Construction:** Built to withstand frequent use, the cane tip is durable and resistant to wear, ensuring long-term reliability and performance.
- **Non-Marking Rubber:** The rubber material does not leave marks or scuffs on indoor flooring, making it ideal for use in homes and on sensitive surfaces.

Specifications

- **Material:** High-grade rubber for durability and effective grip.
- **Size:** Specifically designed to fit any standard walking cane with a 16mm diameter.

The Redgum Cane Tip - 16mm is an essential upgrade for anyone using a walking cane, providing enhanced safety, improved durability, and better overall walking assistance. Its simple installation and robust construction make it a practical choice for everyday cane users looking to maintain their mobility and independence.
