PRODUCT DESCRIPTION

PURPOSE & BENEFITS

The Redgum Opal Walker is a transit wheelchair designed to provide stability and support for individuals with mobility challenges. It features a sturdy, lightweight frame and has swing away leg-rests. The walker also includes four large wheels for smooth manoeuvrability, as well as a padded seat and backrest for comfortable seating. With its stylish design and practical features, the Redgum Opal Walker is a reliable and convenient mobility solution for those in need of extra support.

FEATURES

- Folding frame / fold down back rest
- Padded arm rests
- Removable swing away leg rests
- Adjustable swing up foot plates
- Attendant and occupant hand brakes
- Attendant propelled push handles
