PRODUCT DESCRIPTION

PURPOSE AND BENEFITS

The REDGUM BRAND Premium Comfort Cushion is a locally sourced Australian foam cushion designed to offer outstanding comfort and value. The Premium Comfort Cushion is available in five different comfort levels with each cushion being covered in a durable airflow cushion cover and is removable for washing if required The comfort cushions are ideally suited to be used in a variety of different situations to give the user a greater comfort level.

FEATURES

- Specially formulated, premium density visco-elastic foam conforms and cushions for nearweightless comfort and support.
- Disperses pressure and spreads the load.
- Designed to treat and help alleviate an existing condition.
- Holds you in secure comfort and improves posture by encouraging the natural alignment of the spine.
- Unique inner core of high-density conventional foam protects cushion from 'bottoming out' under continual use.
- Specially treated for the effective control of mould, mildew, bacteria and dust mites.
- Light-weight, compact and durable. Multi use Cushion.
