PRODUCT DESCRIPTION

Purpose & Benefits of Redgum Space Saver Shower Stool Gel Pad

The Redgum Space Saver Shower Stool Gel Pad is specifically designed to enhance comfort and reduce pressure for individuals using the Space Saver Shower Stool. This gel pad is an essential accessory for users who may experience discomfort or require additional support while seated during showering. It is particularly beneficial for those with reduced mobility or who spend extended periods on the shower stool.

Features

- **Pressure Relief:** The 10 mm thick gel pad helps distribute weight evenly, minimising pressure points and enhancing comfort during use.
- **Adhesive Base:** Features a washable adhesive base that ensures the gel pad stays securely in place on the shower stool.
- **Hygienic and Easy to Clean:** The pad is easy to maintain and clean, supporting optimal hygiene in bathroom environments.
- **Compatibility:** Designed specifically to fit the [RG554H2 Space Saver Shower Stool](#), ensuring a perfect fit and enhanced stability.

Specifications

- **Material:** Durable gel material known for its comfort and pressure-relieving properties.
- **Dimensions:** 312 mm (L) x 285 mm (D) x 10 mm (H)
- **Installation:** Easy to apply and remove, thanks to its adhesive base, allowing for quick adjustments and cleaning.

This gel pad is a valuable addition for anyone seeking added comfort and support with their existing shower stool setup. It not only improves the showering experience but also enhances safety by reducing the risk of discomfort and pressure sores.
