PRODUCT DESCRIPTION

Purpose & Benefits of Redgum Space Saver Shower Stool

The Redgum Space Saver Shower Stool is designed to enhance safety and comfort in the bathroom for individuals with limited mobility, such as the elderly, those recovering from surgery, or individuals with disabilities. This compact stool fits well in smaller shower enclosures, providing a secure place to sit while bathing without occupying too much space.

Features

- **Compact Design:** Ideal for smaller shower spaces, this stool ensures that users have a comfortable and stable place to sit without crowding the area.
- **Adjustable Height:** Comes with adjustable legs that allow the stool to be set at the optimal height for the user, ensuring both comfort and safety.
- **Non-slip Rubber Feet:** Equipped with rubber feet that prevent the stool from slipping, even on wet surfaces, enhancing stability and safety.
- **Durable Construction:** Made from high-quality materials that are water-resistant and designed to withstand the humid conditions of a bathroom.
- **Easy to Clean:** The stool's non-porous surfaces can be easily wiped down, which helps maintain hygiene and cleanliness.
- **Compatible** with [RG53GP Gel Pad](#)

Specifications

- **Material:** PVC, Aluminium, Polypropylene
- **Dimensions:**
 - Overall Width: 515mm (at lowest setting)
 - Overall Depth: 450mm (at lowest setting)
 - Overall Height: 640mm (at lowest setting)
