

REDGUM TAPERED RUBBER RAMP

SKU: RAMR2050-H

PRODUCT DESCRIPTION

PURPOSE & BENEFITS

The Redgum Tapered Rubber Ramp is a practical and durable solution that facilitates smooth and safe access over thresholds, steps, and other small elevation changes. Ideal for individuals using wheelchairs, walkers, or scooters, or for anyone needing assistance with mobility, these ramps are versatile and can be used in various settings, including homes, offices, and public buildings.

FEATURES

- **High-Quality Rubber Material:** Constructed from solid, heavy-duty rubber, the ramp is both durable and sturdy, able to withstand frequent use and various weather conditions.
- **Tapered Design:** The ramp features a gently sloping, tapered design, making navigating small steps or thresholds easier. This design is particularly beneficial for ensuring a smooth transition for wheels and reducing trip hazards.
- **Non-Slip Surface:** The textured surface of the ramp provides excellent traction, reducing the risk of slipping, which is especially important in wet or damp conditions.
- **Easy Installation:** Simple to place and use, the ramp does not require any installation. Its weight and material allow it to stay firmly in place.
- **Versatile Use:** Suitable for indoor and outdoor applications, the ramp can be used in various environments where accessibility is needed.
- **Portable and Convenient:** While robust, the ramp is also portable, allowing for easy repositioning or transport as needed.

SPECIFICATIONS

- Product Weight: 21kg
- Maximum User Weight: 270kg
