

REDGUM PORTAL TOILET SEAT RAISER

\$68.00 - \$75.00 Price range: \$68.00 through \$75.00

SKU: RG510

PRODUCT DESCRIPTION

PURPOSE AND BENEFITS

This Toilet Seat Raiser is an economical alternative to expensive toilet modifications normally required to provide users with a higher seating position. This raised toilet seat is strong and lightweight ideal for travel or as a fixed seat raiser. The Raised Toilet Seat is a practical and beneficial accessory that can greatly improve comfort and accessibility for individuals with mobility challenges, older adults, or those recovering from surgery. Designed to fit securely over a standard toilet bowl, it elevates the seating position, making it easier to sit down and stand up. Let's explore some key features and uses of a raised toilet seat:

KEY FEATURES

- Durable [Polyethylene Material](#)
- Ergonomic Design for Ease of Use
- Clean White Finish
- Easy Clean Hygienic Material
- Removable Seat
- Supplied with Universal Fitting kit
- Rust Free Fittings

- RG510-3 (125mm): 1.9kg
- **Max. User Weight:** 180kg (All types)

A toilet seat raiser provides a much needed support for people who find it difficult to sit down or stand up from the toilet. It is important to make sure that your elderly loved ones are safe when using the bathroom, especially when no one is around to help them out. This is why you should invest in this simple aid because it could save you a lot of hassle.

A toilet seat raiser comes with its own Removable Seat and it allows the person to lean on it while sitting down or standing up from the toilet. The base is usually filled with cushioning because it will prevent them from falling back to the closed toilet lid, which may cause injuries.

Buy this Toilet Seat Raiser from Medimart using [NDIS Payment method](#) as well as AfterPay for your shopping convenience.
