PRODUCT DESCRIPTION

Purpose & Benefits

The Redgum Seat Walker Tray Table is a perfect accessory for the [Redgum Soft Brake Seat Walker](#). However, it has been designed to fit most types of Seat Walkers. As well as being very strong and lightweight, the tray is ABS reinforced with stainless steel.

Fitting the Seat Walker Tray Table to your walker is super easy with its one piece bracket. All you need is a Phillips Head screwdriver, and then you can easily remove the tray when it is not needed. Your seat walker will still fold properly with the tray table fitted.
