

RESMED AIRMINI FILTERS 12 PACK

\$31.00

SKU: 38816

PRODUCT DESCRIPTION

PURPOSE & USES

Keep your AirMini device clean by using these filters to block fine materials and larger particles from entering your machine.

Sold as a pack of 12 filters. These standard air filters are only suitable for use with the ResMed AirMini device.

One side of the filter blocks fine particles such as dust and the other blocks larger matter, like hair.

These filters are disposable and aren't suitable for washing.
