

RESMED AIRMINI TUBING

SKU: 38822

PRODUCT DESCRIPTION

Specific for AirMini: We've designed our tubing specifically for the AirMini device and ActiveAir™ technology. Compatible only when linked to AirFit F20, N20 and P10 for AirMini masks via the AirMini connector.

Light and streamlined: lighter, thinner and less bulky than traditional standard CPAP tubing.

Comfortable: offers greater flexibility and less mask drag for a stable seal and a more restful night.

User-friendly: the simple, intuitive design makes it easy to attach and remove.

Travel-friendly: flexible, light and space-saving, the AirMini tube is designed for use at home, in hospital or while travelling.
