## PRODUCT DESCRIPTION

### Purpose & Benefits

The **ResMed H5i Cleanable Tub** is a durable humidifier chamber designed for use with ResMed S9 CPAP machines. It helps provide comfortable therapy by delivering humidified air and can be disassembled for thorough cleaning, making it a long-lasting alternative to disposable tubs.

### Features

- Compatible with ResMed S9 CPAP devices
- Cleanable design allows easy disassembly for hygiene and maintenance
- Provides humidification to support comfortable CPAP therapy

### Specifications

- **Compatibility:** ResMed S9 CPAP machines
- **Type:** Cleanable humidifier tub
